FOR IMMEDIATE RELEASE:

GEORGIU HONORED

CHARLESTON, IL--Ion Georgiou, son of Mr. and Mrs. Alexander Georgiou of Charleston, has received the Edson H. Taylor Scholarship, the Eunice W. Dougherty Scholarship, and the G. B. Dudley Scholarship at Eastern Illinois University.

The Edson H. Taylor Scholarship was established in honor of Dr. E. H. Taylor, professor of mathematics at Eastern from 1899 to 1945. It is awarded annually to students who are majoring in mathematics. The recipient of this award is chosen by the faculty of the Mathematics Department on the basis of excellence of scholarship in mathematics.

The Eunice W. Dougherty Scholarship was established by a bequest of Eunice W. Dougherty. The awards go annually to outstanding junior students enrolled in programs administered through the Lumpkin College of Business and the College of Liberal Arts and Sciences.

The G. B. Dudley Award was established by Tilford Dudley in memory of his father, Dr. G. B. Dudley, who was closely associated with the University. The fund makes a minimum of \$200 available each spring for awards to outstanding students in the fundamental sciences: botany, chemistry, physics, and zoology.

Georgiou, a 1986 graduate of Voula High School in Athens, Greece, is a junior physics/mathematics major at Eastern.
